## COMPANY SUMMARY

KTMC Insulation & Scaffolding, L.L.C. joined the KT Maintenance Company, Inc. family in 2013. KTMC's veteran division leaders bring sixty (60) years combined experience to the table; making them a valuable asset to our Clients.

We strive to provide our Clients with the safest, highest quality worker access in industry; supporting our clients with expert, reliable and cost-effective scaffold erection and dismantling services.

We are equipped to complete all of your Pipe and Vessel Insulation and Sheet Metal Needs; performing new construction and replacement projects of any size, as well as, all major or minor Insulation/Sheet Metal Repairs. We have worked hard to earn our strong reputation for reliable service and workmanship.

Our painting services are accomplished using both the Client's and the Manufacturer's specifications; providing professional, quality, manual preparation and roll out services.

It is our intention to provide safe, timely, cost-effective expertise for all our Client's needs; no matter how large or small the project. We want to be your Value-Added Contractor for Insulation, Scaffold, and Painting Services.
