COMPANY SUMMARY

KTMC Instrumentation Services, L.L.C. joined the KT Maintenance Company, Inc. family in 2020. KTMC's veteran division leader brings twenty-five (25) years of experience to the table; making them a valuable asset to our Clients.

We strive to provide our Clients with the safest, highest quality of work in the industry; supporting our clients with expert, reliable and cost-effective Instrumentation services.

We are equipped to complete all of your Instrumentation Needs; performing new construction, maintenance, and replacement projects of any size, as well as, all major or minor Instrumentation Repairs. We have worked hard to earn our strong reputation for reliable service and workmanship.

Our Instrumentation services are accomplished using both the Client's and the Manufacturer's specifications; providing professional, quality, installation, repairs and maintenance.

It is our intention to provide safe, timely, cost-effective expertise for all our Client's needs; no matter how large or small the project. We want to be your Value-Added Contractor for Instrumentation Services.
